**GRANTS FOR YOUNG RESEARCHERS**

**to**

**Forum Acusticum FA2020**

EAA will support with grants the participation of 10 young researchers and students from European Countries in this Congress.

The grant consists in a free registration. To apply for these grants, young researchers must be:

- a) a member of a National Society of the EAA
- b) enrolled to a university course (Bachelor, Master, PhD) or already possessing a Master or a PhD degree
- c) no more than 30 years old on 01.01.2020
- d) first author of the paper that will be presented at FA 2020
- e) sent abstract to organizers before **1<sup>st</sup> December, 2019** (abstracts sent after that date will not be accepted)

In parallel, they have to send their application in electronic form to the General Secretary of EAA [secretary@euracoustics.org](mailto:secretary@euracoustics.org) before **1<sup>st</sup> December, 2019**

The application must include the following documents (in pdf format):

- a) university enrolment certificate (for Master or PhD students) OR copy of the University degree (for other young researchers)
- b) copy of Membership in a National Society of the EAA
- c) birth and citizenship certificate or a passport copy
- d) short curriculum vitae with list of publications
- e) letter of support from the supervisor
- f) abstract of the paper submitted to FA2020 + one page of theory/experiments/results/conclusion.

The Board of the European Acoustics Association, on the basis of the applications received, will publish a list of winners of the grants before **8<sup>th</sup> February 2020** on the EAA web site <https://euracoustics.org/> and will inform the winners accordingly.

The winners are invited to present the contribution either in oral or in poster form at the Congress.
